- Wisconsin Department of Corrections facilities

- Deeper integration with ImageTrend

WISHIN Pulse Use: 2020-2024
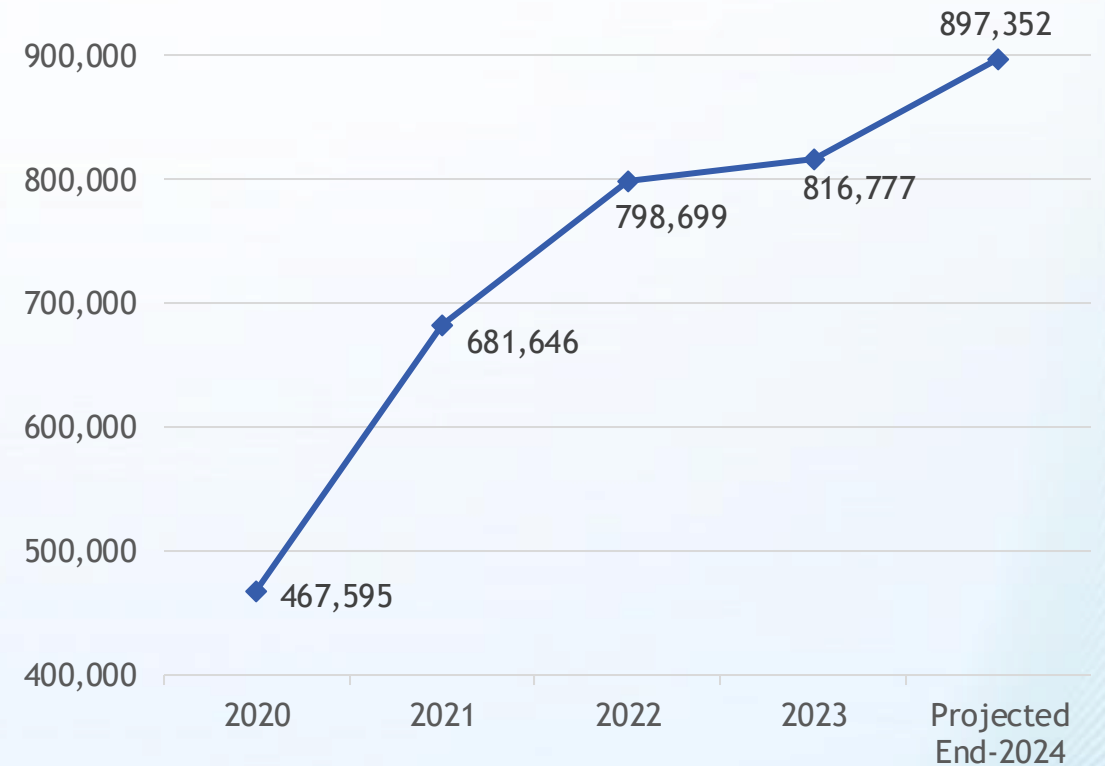

Organizations **Actively** using Pulse

Year	Value
2020	67
2021	70
2022	74
2023	98
July 2024	105
Projected End-2024	125

WISHIN Pulse User Accounts

Year	Value
2020	12,319
2021	13,959
2022	14,905
2023	16,082
July 2024	17,065
Projected End-2024	17,250

WISHIN Pulse Use: 2020-2024

WISHIN Pulse Logins

Year	Logins
2020	261,807
2021	351,559
2022	422,530
2023	428,030
Projected End-2024	453,212

WISHIN Pulse Queries

Year	Queries
2020	467,595
2021	681,646
2022	798,699
2023	816,777
Projected End-2024	897,352

WISHIN Pulse Use: 2020-2024

WISHIN Pulse Records Viewed

- 2024 projected usage based upon average monthly usage to-date and increase in orgs/users

- To gain access to the WISHIN Pulse portal, contact: wishin.support@wishin.org

WISHIN New Services and WISHIN 2.0

WISHIN New Services: DAV Status

- NCQA Data Aggregator Validation (DAV) status since 2022
- Most recent certification on data through Dec 2024
- Includes 1,230 sites of care for hospital, outpatient, and diagnostic information
- Epic, eClinicalWorks, Cerner, NextGen, Meditech
- Next cohort will expand to add newly-live customers and data types

WISHIN New Services: eCR Support

- Through WISHIN's HISP (Direct Secure Messaging), supporting electronic Case Reporting

- Live with Epic organizations using WISHIN's HISP

- Working with Meditech customers using WISHIN's HISP

WISHIN 2.0: New Features

Expanded Patient Search

- MRN or name

- Date of birth

- Phone number

- Address

WISHIN 2.0: New Features

My Patients List

- Dashboard of patients

- Links to medical record

- Last visit information

- Sortable
